

Do-Not-Call Solicitor Notification

Dear Business Customer,

As you are likely aware, the Federal Communications Commission (FCC) and Federal Trade Commission (FTC) have established a national Do Not Call Registry. As part of the do-not-call initiative, the FCC requires us to notify businesses that use our service for making telephone solicitations (which according to the FCC includes telemarketing calls, and text messages) regarding the national Do Not Call rules and regulations. We recognize that few of our customers use our services for telemarketing; however, because we do not have records indicating which customers may do telemarketing, we are sending this notice to all business customers.

If you are a company, individual, or other entity that makes telemarketing calls, it is very important that you familiarize yourself with the operations of the national Do Not Call Registry and the rules requiring checking of the national registry as part of making telemarketing calls. Unless you fall under one of the exceptions established in the FCC/FTC rules (such as the exception for telemarketing by charitable organizations or for prior business relationships), you may not make telemarketing calls to numbers included in the national Do Not Call Registry. Before you rely on one of the exceptions, you should consult the rules. For information about the regulations, you may visit the national Do Not Call Registry at www.donotcall.gov. You can find the FCC and FTC rules governing telemarketing and telephone solicitation, at 47 C.F.R. § 64.1200 and 16 C.F.R. Part 310, respectively.

Thank you
